Feedback

From a client...

"I wanted to say thank you to everyone who worked with me for their tireless efforts to help. Your work is so important to people like me who would otherwise have been left out in the cold. Each and every person I have dealt with at **knowmore** has made me feel safe and respected."

From a client...

"Thank you so much for your assistance, you've been amazing and I really appreciate it. It's difficult digging up the past, but made all the easier through my dealings with you and the Royal Commission."

From a service provider...

"For someone who devotes much of my private clinical practice to working with individuals struggling to cope with histories of childhood trauma, it's delightful to see the work you all are doing. So whatever it is that you may be doing in your training, it was noticeably effective with the team that was present."
